ABOUT THE INSTITUTION

Velalar College of Engineering and Technology, Thindal, Erode is a self-financing co-educational institution established in the year 2001 with all the necessary infrastructural facilities provided through the vision of Velalar Educational Trust that ably governs the institution. The college is approved by the AICTE, New Delhi, affiliated to Anna University, Chennai and is accredited by NAAC with 'A' Grade. The institution has completed 16 years of dedicated and excellent service in the field of technical education. This institution offers 7 UG & 6 PG courses. The following programmes were accredited by NBA, New Delhi, Viz. BME, CSE, ECE, IT and EEE. The institution has been conferred with autonomous status by UGC, New Delhi from the academic year 2016-2017. There are four research centres in the departments viz. Chemistry, Management studies, EEE and ECE.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the academic year 2012-2013. It offers UG degree in Civil Engineering. The department is headed by Dr.E.Ravi, who has more than 23 years of experience in teaching and consultancy. Since inception, the department provides an encouraging environment and imparts the latest advancements in knowledge and skills through innovative methods of teaching. The department has qualified and well experienced faculty members with well equipped laboratories.

ABOUT THE PROGRAMME

The primary objective of the Faculty Development Programme is to provide an opportunity for young faculty members from various engineering colleges to enrich their knowledge in the basics of DESIGN OF REINFORCED CONCRETE ELEMENTS. This programme will equip the faculty to update their knowledge to teach the subject in efficacious way and also enable them to offer final year projects in this specialization.

LOCATION

The College is situated at Thindal 8km from Erode and 11km from Perundurai on Erode-Perundurai road.
