

It has been wonderful 4 years at VCET. Things could have been different if VCET had not nurtured us in all respect, be it be developing a sense of leadership, to be innovative in our ideas, building our courage and sense to be in Corporate world, learning work ethics to name a few. VCET have always guided and encouraged their student to take a right path on their own way. Thank you VCET for all the support.

Jeyamaruthi S

Biomedical Engineering,  
2007-2011 batch  
HCL Technologies, Chennai

VCET for me was a place where I had the best mentors to guide me always. I never had it easy in my academic path. But each time I had a teacher to guide me out. My mentors at VCET gave me a chance to express myself in best way. It was place where you are not criticized for your failure but your journey from failure to success becomes a part of teachers' life. That is why I never miss My VCET because those teachers are with me now and forever.

Ranjith kumar M

Biomedical Engineering  
2008-2012 batch  
GE Healthcare India Pvt Ltd, Bengaluru

This college surely has the best of the infrastructure you can imagine. You can never be short of opportunities once you get in this college. VCET has finest professors. VCET nurtures you in a way that, you not only excel in your academics but in the real time challenging and professional environment.

Sivaranjani D  
Biomedical Engineering  
2011-2015 batch  
Zifo RnD Solutions, Chennai

The four years that I spent in VCET have taught me patience, endurance and humility while giving me a sense of belonging at the same time. Great infrastructure, good faculty and excellent opportunities for extracurricular and co curricular activities indicate that the college focuses on all round development. I am proud to have been a part of VCET, and given a chance to travel back in time, it is my college I would go back to.

Gokula Krishnan.E  
Biomedical Engineering  
2012-2016 batch  
Tata Elxsi, Pune

The campus is filled with positive energy and exuberance. My first visit left me awestruck after looking at the infrastructure and maintenance of the college. The campus is full of limitless opportunities if you want to discover yourself. Besides that, this college gave me sweet memories, faithful friends and a sense of confidence to face the challenges and turbulence in life.

2012-2016 batch

Bahrain Defense Force, Bahrain

<b>ARULMANIKANDAN S</b>	
<b>Batch: 2012 – 2016</b>	
<b>Assistant Engineer</b>	
<b>Public Works Department (water resource department)</b>	

The graduation I received in Civil engineering Department has enabled me to combine my unique skill set, strong basics in Civil engineering to get adapted in the challenging construction industry. At present I am working as Assistant Engineer in Public works department (Water Resources) in Government of Tamilnadu.

<b>R.REKHA</b>	
<b>Batch: 2012 – 2016</b>	
<b>Associate detailer</b>	
<b>Cadeploy Engineering Pvt. Ltd, Hyderabad</b>	
<p>VCET taught me the things that I needed to know in the Civil Engineering, not only the academics, but also teamwork and the communication skills. That combination has allowed me to be effective in the workplace. Now I am employed as <b>Associate detailer in Cadeploy Engineering</b> which is Leading Structural Steel Design and Detailing, World's Largest Steel Detailing Company at Hyderabad</p>	

<b>D.Prakashraj</b>	
<b>Batch: 2013-2017</b>	
3D RC Modeller	
Atkins Pvt. Ltd., Bangalore	
<p>The strong academic curriculum, and a variety of resources in terms of library, invited eminent lectures and various site visits creates an excellent learning environment for me to get Graduation in the Civil Engineering Department, VCET. The acquiring practical skills and technical knowledge provides me confidence and sincerity in the workplace now I employed as “3D RC Modeller “at M/s. Atkins Pvt. Ltd., Bangalore.</p>	

<b>K.KIRUPAKARAN</b>	
<b>Batch: 2014-2018</b>	
<b>Assistant Engineer,</b>	
<b>Tamilnadu Public Works Department - Water Resources Department</b>	
Very strong fundamental knowledge faculty members, extremely supportive staff members and well-equipped laboratories are some of the highlights of the Civil Engineering department, where I graduated in VCET is in my opinion. Now, I am employed as Assistant Engineer in Public works department (Water Resources) in Government of Tamilnadu.	

<b>P.SUGANYA</b>	
<b>Batch: 2015-2019</b>	
<b>Detailing Engineer</b>	
<b>G.K Construction Project Management Consultant, Erode.</b>	
<p>I am extremely grateful to the department of Civil engineering Velalar College of Engg and Technology to obtain the Graduation Degree in B.E. Civil Engineering. With the help of Sportive management and enthusiastic faculty members, I gained the knowledge with respect to basics, punctuality, leadership and task-oriented time management. At present I am working as Detailing Engineer in M/s. G.K Construction Project Management consultant, Erode.</p>	

I am grateful to VCET for learning and self-development. I got all the support and guidance from Faculties and Placement Officers. The events that I took part helped me to grow my confidence level. I would like to specially thank the placement cell for guiding me and providing me a good platform for my career.

Kiruthika Priyadarsini Ramasamy

---

VCET provides a great exposure to students by organizing different activities and trainings which are very much helpful for students. Here the atmosphere is full of motivation and innovation. It is all because of the efforts put by our faculty and training and placement department which always make sure that students get placed in the best company in the market. My confidence has been boosted after coming here. I am really thankful ECE department faculty and our training and placement cell for providing platform to enhance my career. It is dream come true to work with such an amazing company.

Vipul Dalsukrai

Project Manager

EBSCO Information Services, US.

---

I strongly believe that VCET is one of the best college in Erode. These four years were the amazing years of my life. We were blessed with the best professors who guided us throughout. VCET also provided online CMS study material which proved very beneficial for us. The best part was the time of festivals. 'Fervor' was a great platform to showcase our skills. These organizing events in college inspired me to do the same in Mindtree too. I have received an award for it. All the credit goes to VCET for giving me this opportunity of utilizing my skills and realizing my potential. Cultural festivals brought us close to our real

Indian culture. I enjoyed four years of my life. I am proud to have been a part of VCET because it has been a pioneer in my all round development.

Kamaleshwari P

Technical Lead, Mindtree, Charlotte, US.

---

I am thankful to my college, Principal, Deans and Faculties for helping me and provide an excellent guidance to got placed in Tech Mahindra by providing good Facilities inside the peaceful campus and guided me to take the right path for my bright future. I learnt many new things and had lots of fun. Its place where fun and studies go together.

Ramesh Kumar G

Manager,

Siemens Ltd, Coimbatore.

---

VCET is the nice place to enjoy life along with the study. It gives nice opportunity to work on interesting areas. I learnt many things here which are helping me in corporate world. . I enjoyed all good and bad times here and will remember it for my whole life. I will cheers the moments forever that I spent here.

Suresh S

Team Lead,

Robert Bosch, Germany.

The IT department of VCET helped me throughout graduate schools and provide me with strong foundation in programming to work in the Industry. The lab was always equipped with the latest technologies and we had plenty of opportunity and encouragement for practice right after the classes. Years after graduation, I still look back with memories of my undergraduate days and strongly recommend it to all the prospective students who contemplate a career in programming or research.

VCET days were the best part of my life. I really enjoyed each and every part during studies, Industrial visits, department functions and classes. VCET has given me much matter-of-facts apart from studies. I was shaped, moulded and crafted in the journey of four years in VCET. I would like to attribute much of my success to the solid foundation I received from my under graduation. My Special thanks to all my friends and the faculty members of VCET who played a silent role in shaping my future and also a part of my journey.

I can positively say Velalar College of Engineering and Technology has made me a better person. It has helped me to develop a positive attitude towards my studies and discover more about myself. Professors are very caring and interested in students' educational and interactive fields. The department of Information Technology has always helped me to achieve good scores and also helped me to develop my soft skill which is helpful for my career. The placement training program enhanced the overall development of personality and technical skills. And the placement cell has offered the best opportunities to get placed in the industry.

My journey as a student of VCET had been a cherished one. Four years were enough to make myself feel indebted to the college. The college prompted and helped the interested students to pursue higher education. The college organised various pre-placement programmes for each and every student to crack the jobs – during on and off campus placements. We don't hesitate to contact our faculty members at times of need. To conclude, I am really proud to call myself an alumnus of Velalar College of Engineering and Technology.

I joined "VCET" in 2014 with lots of expectations as the days moved I realized that am in right path by selecting this college. I proudly say that with the support of my lectures, Good Equipped Computer lab, Systematic Library facilities with Good Campus, Infrastructure and Placement cell helped me to achieve my goal. The Management offers us the additional certificate courses with best lectures, various Workshops, College Fest and Paper Presentation. And also they conducted Club activity to bring out our hidden talents to eradicate stage fear. I am very much thankful to the Management of VCET and IT department for training me well to build My Future and Achieve My Goal.

***SABHAPATHI.S – (2006 – 2008) BATCH***

***LEAD PMO - WIPRO TECHNOLOGIES***

***COIMBATORE***

*VCET gives a great opportunity for students to broaden their knowledge beyond their field of studies within an international multicultural environment. The friendly attitude of the professors and their willingness to always offer a helping hand has made me feel a part of the VCET family. The 2 years spent here were splendid and has helped me to grow better professionally and personally. Finally I got placed with Wipro Technologies.*

***ANAND.D – (2006 -2008) BATCH***

***MANAGING DIRECTOR - INDIAN HUT***

***POLAND***

*The academic experience with a world class infrastructure and excellent faculty at Velalar College of Engineering and Technology has endured me with a lifelong career excellence. The teaching methodologies in the MBA Program backed by practical skills and industry interface have given me the confidence to pursue my career ahead. The all-time support and motivation of the faculty members of VCET has enlightened me throughout the beautiful journey.*

***RAJESHKUMAR.D - (2009 – 2011) BATCH***

***SR.GOODSGUARD, SOUTHERN RAILWAY,  
SALEM DIVISION.***

*The VCET MBA provided me a platform due to which today I find myself a more confident person personally as well as professionally. At VCET, I learnt how to take decisions under all situations, which is something that will definitely help me in the future. Study-wise, I consider VCET as an institution that gives its students a practical outlook into the actual workings of an organization.*

***JAYASHREE.M – (2017 -2019) BATCH***

***ANALYST - HCL***

***COIMBATORE***

*VCET MBA program is extremely flexible and continues to reinvent itself to meet the desires of the students. The relatively small class size enables the MBA experience to be customized to individual desires and the large undergraduate population in the business school ensures companies from a wide variety of industries and focus areas find their way to campus, making introductions easier.*

**SHAHISTA HUSSAIN – (2017 -2019) BATCH**

**EXECUTIVE - THOMAS COOK**

**MUMBAI.**

*"Receiving my MBA from VCET strengthened my leadership abilities and increased my knowledge of the business world. These skills are vital in all industries and broadened the career opportunities available to me upon graduation. I was able to obtain a position because the institution was looking for an individual with a strong management and business background. Through my MBA, I gained the flexibility to choose the career path that appealed to me."*

### Mechanical Alumni Testimonials

The college helped me gain not only knowledge but also to gain good qualities what an engineer should have. Our department helped to build up the students with not only bookish knowledge but also with practical approach.

The department offered internship opportunities which were outstanding and helped us in solving practical problems and to apply what was learnt in the classroom to tackle real-world problems. Also various industry visits provide us the actual working knowledge about the industries. And ultimately, on a whole I would like to say that this was the best experience.
