ABOUT THE INSTITUTION

Velalar College of Engineering and Technology, Erode is a self-financing co-educational autonomous institution established in the year 2001 with all the necessary infrastructural facilities provided by Vellalar Educational Trust that ably governs the institution. The college is approved by AICTE, New Delhi, affiliated to Anna University, Chennai and Accredited with 'A' Grade by NAAC.

The institution has been accorded autonomous status from the year 2016. The B.E., /B.Tech., programmes of BME, ECE, EEE, CSE, & IT are accredited by NBA. The institution has completed nineteen years of dedicated and excellent service in the field of technical education. Our institution offers eight UG Programmes (BME, Civil Engg., CSE, ECE, EEE, IT, Mech. Engg. & Medical Electronics.) and six PG programmes (M.E - CSE, Embedded System Technologies, Applied Electronics, VLSI Design, MBA & MCA). There are six research centers namely ECE, EEE, CSE, Management Studies, Physics and Chemistry approved by Anna University .

The vision of our college is to provide a wide range of academic and research programmes and to develop a world class center of excellence for learning. The college has signed Memorandum of Understanding [MoU] with many leading corporates and MNC to enable the faculty and students to gain practical knowledge and exposure to industrial environments. An IIP Cell and an Entrepreneurship Development Cell have been established to expose students to the industrial sectors and the cells are supported by funds from AICTE.

ABOUT THE DEPARTMENT

Department of ECE has well equipped laboratories, three well established computer centers with internet connectivity, excellent digital library, experienced & qualified faculty members to impart knowledge in the areas of Electronics, Networking, Microprocessors, DSP, Microcontrollers, VLSI Design, Embedded Systems, Antenna, Microwave, RF, Satellite, Optical & Wireless Communications. The department offers BE programme in ECE and ME programmes in Applied Electronics and VLSI Design. The department has received various grants from AICTE, CSIR, ICMR and TNSCST.
