## ABOUT THE INSTITUTION

Velalar College of Engineering and Technology (Autonomous), Thindal, Erode one of the best-known Self-financing Co-Educational Institutions, aims to achieve excellence in Engineering education, with strong emphasis on the uplift of rural students who have only limited avenues for higher education. The college has been established in the year 2001, with all in-built infrastructural facilities. It offers excellent quality education in such a manner as to empower the students for facing any challenging environment after they graduate from the portals of the college. The institution has completed 18 years of dedicated and excellent service in the field of technical education. This institution offers Eight UG and Six PG programs and the Departments of Management studies, Physics, Chemistry, EEE and ECE are recognized research centers of Anna University, Chennai. The college has signed Memorandum of Understanding with many leading corporate and multi-national companies to enable the faculty and students to gain practical knowledge and exposure to industrial environments.

## ABOUT THE DEPARTMENT

The Department of Management Studies was started in the year 2005. The department aims in developing intellectually alert, scientifically progressive, globally competent and dynamic young Business Administrative and Management professionals. The Students who come out are technically competent and 'employable' human resources for Business Industries. There is an increasing realization among the faculty and the students about the importance of research for a successful academic career. The department also focuses on developing business leaders.

## ABOUT THE LOCATION

The college is situated at Thindal on the State Highways (SH-96) about 90 km from Coimbatore and 8 km from Erode.

## STTP OBJECTIVE

The key objective of the STTP is to enable the participants to improve their personal as well as professional relationships by understanding and managing emotional behaviours of themselves and that of others. The participants will be able to anticipate problem situations and the underlying emotions which will further enable them to be in control in emotionally charged situations.

This STTP will help the participants to recognize and consciously use emotional data which can help them in shaping their professional behavioural responses. This STTP will enable the participants to manage the classrooms better by understanding the emotions of the students.

## AREA TO BE COVERED ON STTP

This STTP covers on "Pedagogy on Emotional intelligence skills" for the faculty to move on their career ladder and succeed in their life. The main focus of the course includes:

- **Self - Awareness**
- **Managing Emotions**
- **Recognizing Other's Emotions**
- **Handling Relationships**
- **Social Awareness**
- **Using EI to Mentor Students**
- **Listening Skills**

## RESOURCE PERSONS

The Resource persons will be from Reputed Industries and Premier Institutions.

## WHO MAY ATTEND

This program is primarily targeted to the Faculty Members, Research Scholars and the Industry People who are really interested to apply Emotional Intelligence skills to create a positive work environment for continued career growth and success.
