

## ABOUT THE INSTITUTION

Velalar College of Engineering and Technology, Thindal, Erode is a self-financing co-educational institution established in the year 2001 with all the necessary infrastructural facilities provided through the vision of Vellalar Educational Trust that ably governs the institution. The college is approved by the AICTE, New Delhi, affiliated to Anna University, Chennai and is accredited by NAAC with 'A' Grade. This institution offers 7 UG & 5 PG programmes. The following programmes were accredited by NBA, New Delhi, Viz. BME, CSE, ECE, EEE and IT. The institution has been conferred with autonomous status by UGC, New Delhi from the academic year 2016-2017 onwards. There are six research centres in the institution viz. Chemistry, Management studies, EEE, ECE, CSE and Physics.

## ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the academic year 2012-2013. It offers UG degree in Civil Engineering. Since inception, the department provides an encouraging environment and imparts the latest advancements in knowledge and skills through innovative methods of teaching. The Department has qualified faculty members with well-equipped laboratories. The consultancy work has been carried out more than 10 lakhs through Structural Design, Water quality assessment, Electronic Surveying, Material Testing, Soil Investigation and Analysis and Design of Foundation. The grant has been received from various funding agencies like CSIR, ICMR, TNSCST and Disaster Management Authority. Also organized the programme on "Retrieval of Tamilnadu River Strategies and Action Programme "by water man of India Dr.Rajendra Singh during September 2017.

## ABOUT THE PROGRAMME

The main objective of this programme is to impart the knowledge on the state of art technology in modern construction materials, techniques, equipment and practices in comparison with conventional methods. Now a days the major development of infrastructure depends on the construction activities and the machineries which give the speedy, easy to work and also in economical manner. Even though the advanced construction technology prevails, it requires the skilled artesian and supervision who are necessary to provide the financial achievements. Hence this type of refresher and induction programme which enhance the young faculty members to refresh their knowledge and learn the new techniques from expert members from premier institutions.

## LOCATION

The college is situated at Thindal on the State Highways (SH-96) about 90 km from Coimbatore and 8 km from Erode.
